This custom 6 bedroom main level living home in Old Trail is one of a kind! Modern style inside with new bamboo floors and unique custom finish details throughout. The open kitchen features quartz counters, stainless appliances and a stone backsplash behind the gas cooktop. The walk through pantry holds everything you need and keeps the counters in the kitchen open and clean! The owner's suite features large walk in closets and a relaxing bathroom with walk in shower and soaking tub. Upstairs are 4 large bedrooms each with oversized custom closets. The basement features a huge rec room with built-ins, a 6th bedroom and full bath that are perfect for guests. A newly added composite decking screened porch brings the outdoors in!
